

As pessoas são o centro de tudo o que fazemos. Por isso, a Motiva pensou em produtos elegantes e funcionais e os desenvolveu para que promovam a qualidade de vida, o bem-estar e a motivação no ambiente de trabalho, trazendo de volta o espírito de coletividade e o calor humano aos espaços corporativos a fim de que as pessoas tenham experiências cada vez mais humanas no seu ambiente de trabalho.

*Personas son la principal razón para todo lo que hacemos. Por eso que Motiva ha pensado en productos elegantes y funcionales que buscan promover la calidad de vida, el bienestar y la motivación en el ambiente de trabajo, rescatando el principio de colectividad y calor humano en los espacios corporativos para que las personas tengan experiencias cada vez más humanas todos los días, en todos los momentos de sus vidas.*

M-corp products were planned and developed to bring humanity, well-being and motivation back to the workplace. By providing an elevated work experience to your staff, you will help them achieve their strategic goals.

## GARANTIA MOTIVA

### Uma garantia é uma promessa.

A Garantia Motiva é a nossa promessa para você de que nós estamos atentos à qualidade dos nossos produtos. Ela reconhece a sua necessidade por móveis que permaneçam inalterados após o uso contínuo. Portanto, para ter acesso ao TERMO DE GARANTIA MOTIVA e seus detalhes, consulte a empresa.

As informações e especificações desse catálogo estão sujeitas a alterações sem aviso prévio.

Os padrões de cores aplicados aos produtos nesse material servem como referência e podem apresentar diferença de tonalidade entre as imagens e o produto real.

### Manutenção/Limpeza do Produto

MOTIVA recomenda o uso de uma flanela macia seca ou úmida em água. Quando necessário, utilize detergente com pH neutro diluído em água. Não use esponjas abrasivas uma vez que podem riscar os produtos. Evite usar ácidos, solventes e/ou qualquer outro produto que contenha amônia. A limpeza periódica aliada ao uso correto dos produtos MOTIVA, permitem que os móveis mantenham seu aspecto e performance originais por muito tempo.

### Mantenha o móvel protegido da luz solar.

### TÉRMINO DE GARANTIA

#### Una garantía es una promesa.

La Garantía Motiva es nuestra promesa para usted de que estamos atentos a la calidad de nuestros productos. Ella reconoce su necesidad por muebles que permanezcan inalterados a pesar de su uso permanente. Por eso, contáctenos para recibir el TÉRMINO DE GARANTÍA MOTIVA. Estamos a la orden.

Las informaciones y especificaciones en ese catálogo están sujetas a cambios sin previo aviso.

Los patrones de colores aplicados a los productos en ese material sirven solamente como referencia y pueden presentar diferencia de tonalidad entre las imágenes y el producto real.

### Mantenimiento/Limpieza de los Productos

MOTIVA le recomienda el uso de un paño suave seco o húmedo en agua. Cuando necesario, utilice detergente con pH neutro diluido en agua. No use esponjas abrasivas porque pueden rayar los productos. No utilice líquidos ácidos, solventes y/o cualquier otro producto que contenga amoníaco. La limpieza periódica y el uso correcto de los muebles MOTIVA permiten que el aspecto y la performance original de los productos se mantengan por mucho tiempo.

### Mantenga el mueble protegido de la luz solar.

### WARRANTY TERM

The Motiva Warranty is our promise to you that we stand behind the quality of our products. It recognizes your need for products that can stand up to continuous use. For complete term, please contact us.

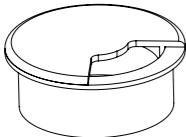

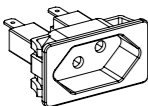

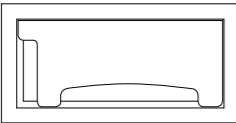

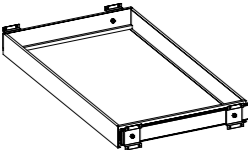

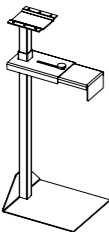

The information and specifications published in this portfolio are subject to change without prior notice.

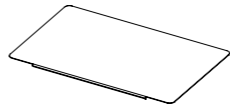

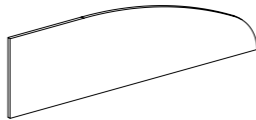

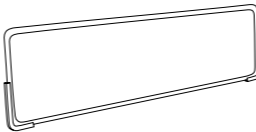

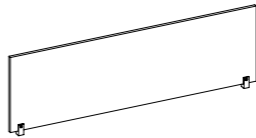

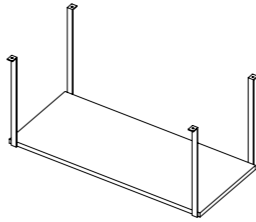

Finishes and colors are displayed for reference only and may vary by browser, monitor, or printer from the actual material color. Before specifying, refer to a physical sample for true color and detail.

### Product Care

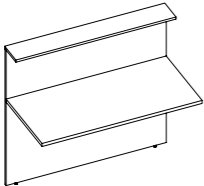

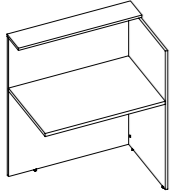

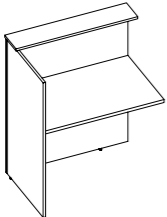

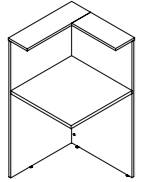

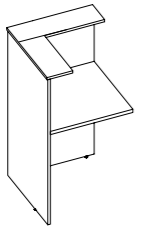

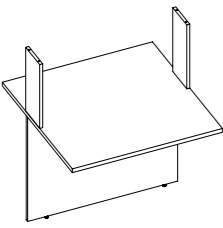

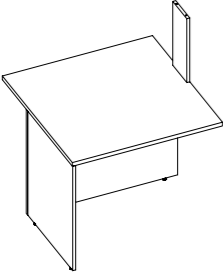

We recommend using a soft rag, either dry or wet. When needed, use pH-balanced soap diluted in water. Do not use abrasive sponges as they may leave scratches. Avoid using acidic products, solvents and products containing ammonia. Periodic and correct maintenance allows the product to keep its original aspect and lengthens the duration of its performance.

### Avoid exposure to sunlight.
